Changes to bus services 34A, 35, 635 and 91

from 2nd May 2017

Due to a decrease in the number of people using bus services 34A, 35, 635 and 91 at weekends, we regret that from 2nd May 2017, it will be necessary to reduce the number of journeys on these services on Saturdays and remove some sections of route that are used by very few passengers.

There will also be some minor changes to the times of some weekday buses – please check the timetables below and overleaf carefully.

Bus service 91
